

## Public Locker Policy

Brooks Library lockers are available on a first come basis and available for temporary use only. The cost is \$0.25 per use. Money is not returned after the locker has been used.

No Central Washington University Library materials may be placed in the lockers, unless they are checked out to the person using the locker.

Items that may create annoying smells or noises may not be placed in the lockers and will be removed.

Personal locks may not be placed on the lockers. Any personal locks will be removed and destroyed and the contents of the locker will be removed and taken to Lost & Found (located at the Circulation Desk).

At all times, lockers are subject to inspection at the discretion of the Library. If uncirculated library materials are found, they will be returned to Circulation. If other non-permitted materials are found, they will be destroyed or sent to Lost & Found at the Circulation Desk.

If a locker user loses the key, there will be a \$30.00 charge to retrieve the contents of the locker, and the contents must be described before the locker is opened.

At the end of each quarter, any items left in lockers will be removed and sent to Lost & Found at the Circulation Desk.
