

University 101 Library Instruction

Brooks Library is an active partner in providing support material to University 101 courses for incoming CWU students. Students can anticipate the following through a Canvas library module:

- Learn about resources available to you through the library
- Identify characteristics of popular, professional, and scholarly sources
- Practice strategies for using OneSearch
- Identify methods of getting help from librarians

Finding the Canvas Module

Instructors can find the library module for UNIV101 in Canvas Commons under the title, "[UNIV101 - Library Session](#)."

Questions?

If you are an instructor for a UNIV101 course and have questions about the material, please contact [Elizabeth Brown](#), Instruction Coordinator at Brooks Library (x1960).
