

Copyright & Fair Use Tools For Streaming Video

There is a great deal of discussion and controversy over the use of streaming media as it pertains to online and distance education. Please refer to these helpful [Copyright Tools](#) to learn about using streaming video in the classroom and online.

- [Code of Best Practices in Fair Use for Academic and Research Libraries](#)
- [Copyright Metro](#) Baruch College's Guide to Using Copyrighted Media in Your Courses
- This page includes [the Documentary Filmmakers' Statement of Best Practices in Fair Use](#), a handbook written by veteran filmmakers to help other filmmakers understand some instances where using copyrighted material without clearance is considered fair use, and more information such as classroom tools and videos about fair use.
- [University of Texas "Copyright Crash Course"](#), with sections on multimedia creation, digital libraries and copyright, copyright management, licensing and online presentations.
