

Collaboration Areas in the ARC

To guarantee your use of a particular collaboration area, please make a [reservation](#). Reservations are required for the presentation room. Reservations should be limited to 2 hours at a time.

Presentation Rooms *Reservable*

Presentation Room 155C

Presentation Room 155C offers a variety of configuration options, including a conference room meeting, a traditional classroom, or a lecture space.

Collaboration wall

A 16-foot whiteboard wall is perfect for brainstorming sessions or study groups.

Projection Wall

A 7-foot screen, projector, and speakers with VGA and HDMI hook ups has the potential to be used by groups both large and small. The projector and screen can facilitate small groups wishing to work on a presentation, a larger lecture venue, or used for the screening of films.
