Mission, Vision, Values & Goals

Mission

CWU Libraries is committed to being a full partner with students and faculty in providing transformative teaching, learning, and research. We provide a wide variety of services, resources, and programs. We seek to make our offerings even more deeply integrated with the needs of our students and the greater CWU community.

Guiding Directions

- Be a partner in transformative teaching, learning, and research
- Welcome the University community with excellent service and resources, seamless access to those resources and services, and inclusive spaces and programs accessible and approachable to all
- Add to the quality of life of the CWU community
- Create and extend an atmosphere of Inclusiveness and Diversity

Goals

- Create welcoming user experiences and inclusive access by transforming physical spaces and creating virtual spaces and services
- Create diversity in the collections across disciplines and formats
- Create Pathways to Affordable Course Materials
- Build Digital Humanities teaching, learning, and research support
- Build Data Management services
- Create and nurture a nimble, responsive CWU Libraries Organization
