Pioneer Narratives

The following subject guide represents only a small portion of our collections, and does not represent all of the subject strengths of our collections. Please remember that the listed titles are only those in Special Collections—many other sources can be found in other departments of the Library.

Though every attempt will be made to keep these guides current, please keep in mind that our collections are growing daily and we add titles in all subjects on an ongoing basis. Items appearing on lists without call numbers have not yet been catalogued; however, they are still accessible to interested researchers. If you would like to find out more about items in Special Collections or have a specific reference question, please email us at archive@cwu.edu.
