Requesting Materials Not Owned by the CWU Library

To obtain materials not held by the Brooks Library, confirm that the material is not available in either print or electronic format by first:

- Searching [OneSearch](#)
- Searching our [Online Journals List](#) if you are looking for an article in an online journal.
- If neither of those provides access to the material, *then*
- login to [ILLiad](#).

You may pickup and return ILL materials at the [Circulation Unit](#) on the [First Floor](#) of the Library. Our hours are Monday through Friday, 7:30am to 4:00pm.

Costs for Obtaining Interlibrary Loan Materials

Materials not owned in the CWU collection may potentially be assessed fees according to the lending library. ILL articles may be assessed Copyright Fees and all ILL materials can potentially be assessed Lender Fees. ILL takes every effort to obtain materials at no cost and over 90% of all materials are obtained without fees. When this is not possible, costs will be passed-through to users, with their prior approval.
