

## Computers & Equipment

### Laptops

Laptops are available at the Circulation Desk for checkout and use **inside the Library only**, for up to four (4) hours by **currently enrolled CWU students**.

- Wireless connectivity is available throughout Brooks Library. Students must log in to My CWU in order to view their accounts.
- Wired laptops may be used throughout the Library in any active data jack and also require a My CWU for access to your student account.
- Battery life for library laptops is approximately two hours.
- Laptops print to the Print Corral, located near the Reference Desk on the 1st floor of the library.
