Candidates for the U.S. House of Representatives 8th District of Washington State

According to the 2010 Census, Washington gained enough population to earn a 10th district. As a result, the districts had to be rearranged. Kittitas County was part of the 4th Congressional district, but, as a result of redistricting, Kittitas County is now part of the 8th Congressional district which now includes Kittitas, Chelan, eastern King, and eastern Pierce counties.
