[2016 Brooks Library Gala](#)

[Family Study Space](#)

Enrolled students with young children are invited to use the new Family Study Space (FSS), when studying in the library. Located on the first floor in the southwest corner of the Academic and Research Commons, the FSS was designed especially for families.

In addition to child-friendly furniture, the space offers a selection of circulating children's books, learning manipulatives, and creative play space. The room is intended for members of the CWU community (students, staff, and faculty), who are accompanied by children, and all children must be supervised at all times.
